MEMORY SUPPORT

Making sure your loved one receives excellent care is your priority. It's ours, too. Within Bellemoor & Bellemoor Suites at The Homestead, people with memory loss move throughout their days enjoying the freedom to be active and social while experiencing structured care and supervision in an intimate memory support household with the everyday comforts of home.

Our memory support caregivers and staff are expertly trained, compassionate and attentive—committed to learning how each individual needs to be cared for on any given day. Our philosophy is simple: We care for you and those you love as we care for our families.

Personal Care

Personalized memory support at Bellemoor begins with a health assessment provided by a registered nurse, who collaborates with each resident's physician to develop individualized plans for health care and personal services. Care coordination by a registered nurse is included with each level of personal care.

Personal Care Assessment

One-time fee

- Initial health assessment by registered nurse

Nurse Coordination of Care

Each level of personal care includes an array of services designed to enhance individualized options. Care is coordinated by a registered nurse and delivered by licensed nurses and caregiver.

- Licensed nurse on site at least 40 hours/week, and on-call support
- Liaison with health care professionals
- Coordination of laboratory requests, clinic appointments and hospital transfers
- Maintain electronic health record
- Response to pendant calls 24 hours/day by on-site caregiver
- Blood pressure and weight checks each month
- Personal care reassessment by licensed nurse every 90 days
