ASSISTED LIVING SERVICES

Your individualized plan of care begins with a health assessment by a registered nurse from Sleepy Eye Area Home Health. Together you'll select personal care support that suits needs and preferences. A registered nurse coordinates the care services you choose.

You'll have peace of mind knowing that your needs are met daily in a nurturing, engaging environment. Our dedicated staff takes pride in delivering unparalleled, personalized service to you each and every day.

SPECIAL FEATURES:

- Registered Nurse coordination of care
- Physical and Occupational therapy, and Speech/Language Pathology (outpatient)
- Medication management
- Assistance with personal care such as bathing, dressing and grooming
- Coordination of lab requests, medical appointments, hospital transfers, and other professional services
