

Welcome to Elder Homestead

Our charming 19th-century farmhouse architecture is an inviting setting with cozy parlors and spacious gathering areas. Our community offers privacy and security to all of our assisted living apartments and managed-access memory care neighborhood. You'll have the reassurance of in-home personal care delivered by our Minnetonka senior living staff, specially trained in caring for older adults.

Elder Homestead is conveniently located near retail, clinics and churches on the border of Hopkins and Minnetonka, MN. We are nestled in a residential area across from Hilltop Park—off Hwy 7 and near Hwys 169 & 494.

Our Residents Love It Here

“Elder Homestead has good people. I like the games we play like Sequence and Bingo. I also like Happy Hour on the front porch.

I have made many friends here. I enjoy volunteering in our community by decorating for holidays, setting up for Bingo, and helping water the plants and in any other way I can. ”

—Gerry, resident since 2018

Elder Homestead

Memory Care

The right memory care community provides services that allow loved ones facing the challenges of dementia and Alzheimers to live as full a life as possible. This type of care offers your loved one much-needed safety, stimulation and socialization. Highly trained and caring staff members are able to help individuals meet their long-term health, happiness and overall wellness needs, while also serving as a resource for family members and friends. Our intimate apartments allow residents with memory loss to move through their days safely and securely while enjoying the freedom to be active and social.
