Personal Care

Your personalized plan of care begins with a health assessment provided by a registered nurse. Together, you'll select assisted living support that suits your needs and personal preferences. A registered nurse coordinates your care and assures your in-home assisted living needs are accommodated when and how you'd like.

Initial health assessment by registered nurse

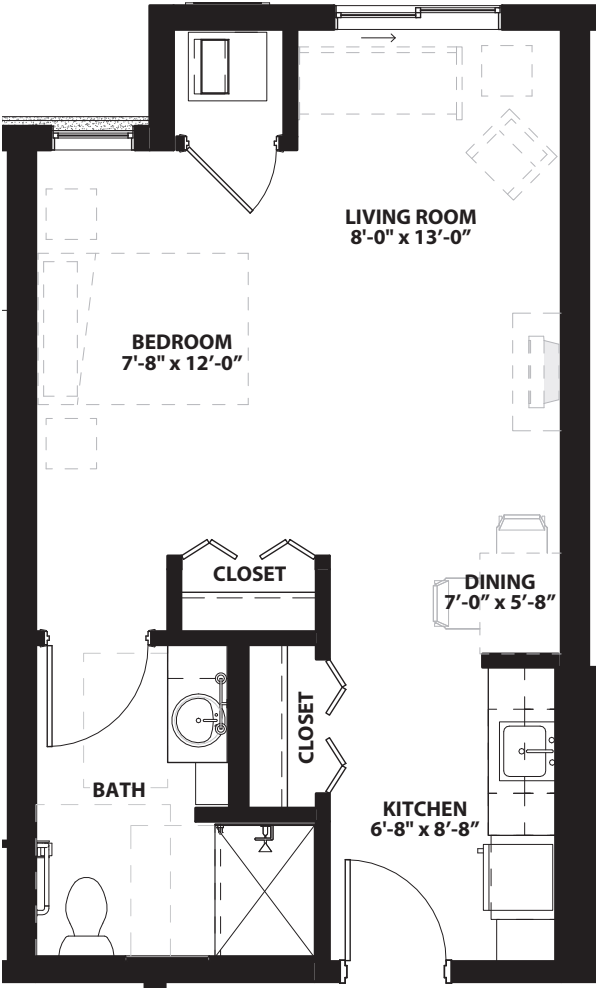

- One-time fee

Personal Care Coordination

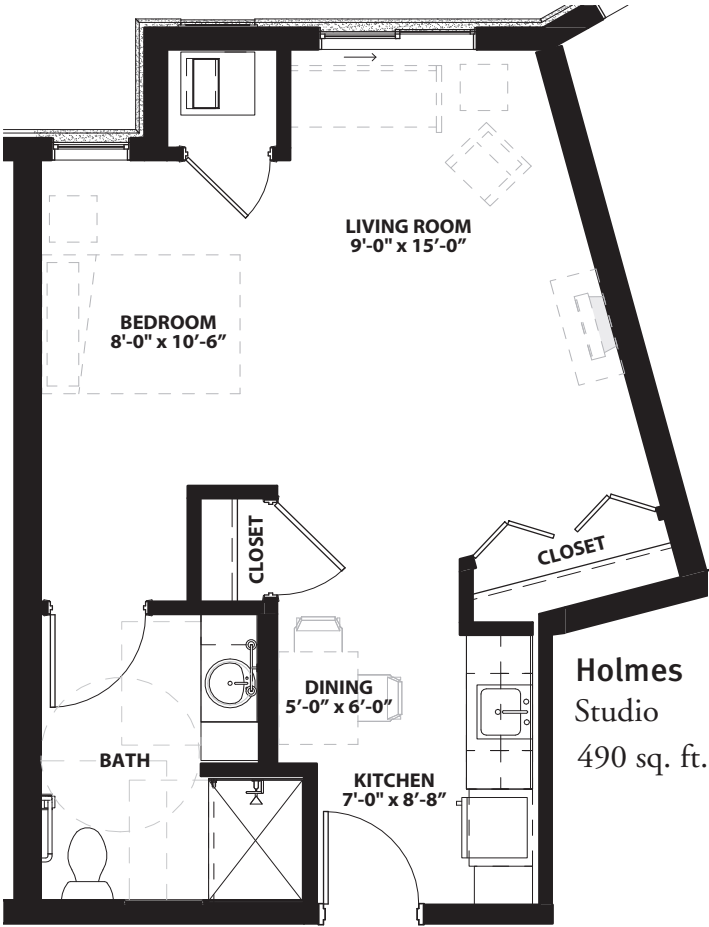

Each level of personal care includes an array of services designed to enhance the individualized care options you choose.

- Licensed nurse on site at least 40 hours/week, and on-call support
- Coordination of lab requests, clinic appointments, hospital transfers and other professional services
- Medication ordering including communication with physician, pharmacy and family
- Electronic health record
- Caregiver staffing 24 hours/day
- Response to pendant calls 24 hours/day by on-site home health aide
- Visual safety checks each day
- Blood pressure and weight checks each month
- Personal care reassessment by licensed nurse every 90 days
