Why Choose Us

Volunteers of America is more than a nonprofit organization. We are also a ministry of service. Volunteers of America helps more than 2 and a half million people in 46 states with nearly 16,000 professional employees dedicated to helping those in need rebuild their lives and reach their full potential.

Since 1896, we have supported and empowered America's most vulnerable groups providing meals, housing and comprehensive health services and programs.

Our work touches the mind, body, heart and spirit of those we serve, integrating our deep Christian faith roots of compassion with person centered care. We excel at meeting immediate needs, but are able to transform lives through our belief in, and reliance on grace.

We would love to hear from you.

Contact us for a in-person or virtual tour. We look forward to meeting you!
